Adobe Connect 8
Accessing an Adobe Connect Meeting

The instructions below provide you instructions for accessing an Adobe Connect meeting.

To access an Adobe Connect Meeting:

a. Log into **Adobe Connect**. The **Adobe Connect** homepage is displayed.
b. Click **Meetings** on the top menu. A list of your meetings displays. Note: This is not the same as the **Meeting** button.
c. Click the link for your meeting. The **Meeting Information** page displays.
d. Click the **Enter Meeting Room** button. The meeting begins to load. You now have access to your meeting.
