**Sharing Your Computer Screen in a Meeting**

**Adobe Connect 8** allows you to share your computer screen in your meetings. The following instructions will enable you to share your computer screen in your meetings.

**To share your computer screen in your meetings:**

- a. Log into your **Adobe Connect** account. You will be automatically taken to the meeting environment where you will be prompted to install the **Adobe Connect Add-in**.
- b. Click the **Share My Screen** button located in the center of the meeting environment. A **Start Screen Sharing** dialog box displays.
- c. Click the radio button for the **Desktop** option if the **Desktop** option is not already selected.
- d. Click the **Share** button to share your screen with meeting participants.
