

****Adobe Connect 8****
Disabling Audio Feedback

The **Adobe Connect** meeting environment allows you to disable unwelcome audio feedback. The following instructions will enable you to disable unwelcome audio feedback.

To disable unwelcome audio feedback:

- a. Click the **Audio** menu. A menu is displayed.
- b. Click the **Enable Single Speaker Mode** option. All audio ceases.
- c. Click the down arrow of the **Connect My Audio Tool**.
- d. Select **Connect My Audio** to enable your audio. You will have to enable audio for meeting attendees.
