

Faculty – Using Turnitin to Check for Plagiarism

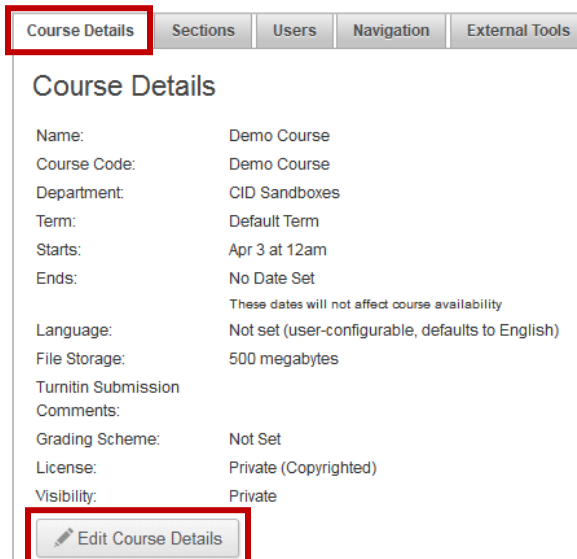

Creating a Custom Submission Statement for Students

- Course instructors can set their own personal message that students will see when turning in a Turnitin-enabled assignment in their course.

1. Click “Settings” in the left menu of the course.

2. Click the “Course Details” tab and click “Edit Course Details”.

3. Enter your message in “Turnitin Submission Comments”, then click “Update Course Details”.
